## Lucknow Cantonment Board

## Question Paper for X-ray Technician

## Date: 05.02.2023

Time: 1.30 am to 03.00 pm

- An objective type of exam where candidates must mark the correct choice of answer in an OMR answer sheet.
- This question paper consists of 12 pages.
- The question paper for written test is in English only and the 100 questions carrying equal marks is of Objective type. Duration of exam is 90 minutes. Answer to the questions must be marked on OMR answer sheet. There is 0.33 Negative marking for wrong answers.
- In the answer sheet, use BLACK BALL POINT pen only for Name, name of the post, Roll number, application number, answers, sign, etc.
- If the answer sheet is NOT numbered, immediately get the answer sheet replaced from the invigilator.
- Answer sheet will have space for sign/initials of the candidate and the invigilator.
- Immediately after the exam starts, please check if the question paper has any unprinted or torn or missing pages or items. In such a case, you must get the complete question paper replaced.
- Space is provided for rough work in the question paper on last page.
- The answer sheet is NOT supposed to be folded or mutilated in any way.
- You are also NOT supposed to write anything on the reverse of the answer sheet.
- The OMR is going to be evaluated by a computer. So, you must take extreme caution while marking in the answer sheet. Since you cannot erase the answers once marked (with a black ball point), please take care to mark it carefully.
- The questions will be printed in the question paper. It contains questions under each of which four choices will be given. You must mark the answer in the Answer Sheet (OMR Sheet) against the appropriate serial number.
- You must mark the correct answer choice in the answer sheet by completely darkening the circle against the correct choice ( $\mathrm{a} / \mathrm{b} / \mathrm{c} / \mathrm{d}$ ) with a black ball point penonly.
- Candidate must handover OMR answer sheet to invigilator after completion of exam. Before handing over OMR answer sheet to invigilator, please check admit card number correctly entered or NOT.
